The words "thereof," "herein," "hereunder," and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement.

11.20 Multiple Counterparts. This Agreement may be executed in several counterparts, all of which when taken together shall constitute one contract binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

11.21 Not a Joint Venture. Nothing in this Agreement shall be construed as creating or constituting the relationship of the partnership, joint venture (or other association of any kind or agent/principal relationship) between the parties hereto. No party, unless otherwise specifically provided for herein, has the authority to enter into any agreement or create an obligation or liability on behalf of, in the name of, or binding upon, another party to this Agreement.

11.22 Additional Provisions. The parties agree that if an Addendum, Rider, Schedule, Appendix or Exhibit is attached hereto by the parties, and referred to herein, then the same shall be deemed incorporated herein by reference.

11.23 Further Assurances and Corrective Instruments. The parties agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the expressed intention of this Agreement.

11.24 Obligations of Joint Entities. If Vendor is a joint entity, consisting of more than one individual, partnership, corporation or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of this agreement, and for any default of such activities and obligations.

11.25 Delays or Impossibility of Performance. Neither party shall be in default under this Agreement if performance is prevented, delayed or made impossible to the extent that such prevention, delay, or impossibility is caused by a "force majeure." The term "force majeure" as used in this Agreement includes an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care, such as acts of God, war, civil disturbance and other similar catastrophic events or causes. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the parties. "Force majeure" does not include: financial difficulties of the Vendor or any parent, subsidiary, affiliated or associated company of Vendor or any subcontractor used by Vendor; claims or court orders that restrict Vendor's ability to deliver the Deliverables contemplated by this Agreement; strikes; labor unrest; or supply chain disruptions. If delay results from a subcontractor's or supplier's conduct, negligence or failure to perform, the Vendor shall not be excused from compliance with the terms and obligations of the Vendor unless the subcontractor or supplier is prevented from timely performance by a "force majeure" as defined in this Agreement. If a "force majeure" delays or prevents

the Vendor's performance, the Vendor shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Department. The party seeking to exercise this provision and not perform or delay performance pursuant to a "force majeure" shall immediately notify the other party of the occurrence and reason for the delay. The parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events. Dates by which the Vendor's performance obligations are scheduled to be met will be extended only for a period of time equal to the time lost due to any delay so caused.

11.26 Material Breaches. The references in this Agreement to specific material breaches of this Agreement shall not be construed as implying that other breaches of this Agreement are not material.

11.27 Right of Inspection. Vendor shall allow the Department, or anyone designated by the Department, to inspect its facilities and books and records at all reasonable times in order to monitor and evaluate performance of this Agreement.

11.28 Taxes. Vendor shall be responsible for paying any taxes incurred by Vendor in the performance of this Agreement. The Department and the State are exempt from the payment of State sales and other taxes.

11.29 Exclusivity. This Agreement is not exclusive. During the term of this Agreement, the Department may obtain similar services from other service providers.

11.30 Award of Related Agreements. The Department may undertake or award supplemental or successor agreements for work related to this Agreement. Vendor shall cooperate fully with other contractors, consultants and other persons who may be engaged by the Department or the State in connection with this Agreement. Vendor will ensure that any of its contractors or subcontractors that have been approved by the Department will abide by this provision.

11.31 Sovereign Immunity. The Department and the State do not waive sovereign immunity by entering into this Agreement and specifically retain and reserve the defense of sovereign immunity and all defenses available to them under State and federal laws, rules and regulations for any claim arising out of or related to this Agreement.

11.32 Disclaimer. All information contained in the RFP and any appendices or attachments thereto reflect the information available to the Department at the time the above-cited documents were prepared. The Department does not warrant the accuracy of any such information and shall not be liable for any errors or omissions, or the results of errors or omissions, which may be discovered, at any time, to exist in those documents.

11.33 Procurement by other Governmental Entities. Vendor acknowledges and agrees that other State agencies, courts, boards, commissions, establishments, units and other Governmental Entities may procure services and Deliverables from Vendor under this Agreement.

11.34 Assignment of Third Party Warranties. Vendor hereby assigns and shall assign to the Department any and all existing and future warranties, indemnities and other benefits obtained or available from the licensor of any Third Party software or the manufacturer of any equipment or replacement parts provided or otherwise furnished in connection with this Agreement.

11.35 Attorney's Fees and Expenses. In the event Vendor defaults in any obligations under this Agreement, Vendor shall pay to the Department all costs and expenses (including, without limitation, the reasonable value of time of the Attorney General's Office and the costs, expenses and attorney fees of other

counsel retained by or on behalf of the Department) incurred by the Department in enforcing this Agreement or any of its rights and remedies with respect thereto.

11.36 Contract Compliance Audit. Vendor agrees that the Department or a representative of its selection may conduct a complete contract compliance audit at least once annually during the term of this Agreement and after termination or expiration of this Agreement to determine whether or not the Vendor is complying with the terms of this Agreement, criteria established for access to Department Property, State and federal laws regarding Confidential Information, and any other applicable laws and regulations. Vendor shall promptly comply with and correct any deficiencies noted in the audit report as audit exceptions and will promptly implement any recommendations reasonably requested by the Department or its representatives. Vendor shall not impose any charge or fee in connection with any contract compliance audit.

11.37 Disclaimer. THE WARRANTIES UNDER THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANT ABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

11.38 Limitation of Vendor Liability.

11.38.1 Maximum Liability. The maximum liability of the Vendor under this Agreement is two times the Contract Value. Contract Value is defined as the aggregate total compensation pertaining to the project paid by the Department to the Vendor during the Term of the Agreement.

11.38.2 Exclusion of Damages. Vendor shall not be liable under this Agreement for any indirect, punitive, special, incidental, exemplary or consequential damages, including loss of use, lost profits, or loss of or damage to data or information, of any kind, in connection with or arising out of this Agreement.

11.38.3 Prohibited Limitations of Vendor Liability. Under no circumstances shall the foregoing limitation in 11.37.1 and 11.37.2 apply to:

i. Intentional torts, criminal acts, fraudulent conduct, intentional or willful misconduct, or gross negligence;

ii. Claims related to death, bodily injury, or damage to real or personal property;

iii. Any contractual obligations of the Vendor pertaining to indemnification, intellectual property, liquidated damages, compliance with applicable laws, or confidential information; or

iv. Claims arising under provisions of the Agreement calling for indemnification of the State for Third-Party claims against the State for bodily injury to persons or for damage to real or tangible personal property caused by the Vendor's negligence or willful conduct.

11.39 Notification of Events. Vendor shall notify the Department in writing if any of the following has been engaged in by or occurred with respect to Vendor or any corporation, shareholder or entity having or owning a controlling interest in Vendor:

11.39.1 Vendor files or permits the filing against it of a case or other proceeding seeking liquidation,

reorganization, or other relief with respect to itself or its debts under any bankruptcy, insolvency, or other similar law now or hereafter in effect; or filing an answer admitting the material allegations of a petition filed against it in any involuntary case or other proceeding commenced against it seeking liquidation, reorganization, or other relief under any bankruptcy, insolvency, or other similar law now or hereafter in effect with respect to it or its debts; or consenting to any such relief or to the appointment of or taking possession by any such official in any voluntary case or other proceeding commenced against it seeking liquidation, reorganization or other relief under any bankruptcy, insolvency, or other similar law now or hereafter in effect with respect to it or its debts; or

11.39.2 Seeking or suffering the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its assets; or

11.39.3 Making an assignment for the benefit of creditors; or

11.39.4 Failing, being unable, or admitting in writing the inability generally to pay its debts or obligations as they become due or failing to maintain a positive net worth and such additional capital and liquidity as is reasonably adequate or necessary in connection with Vendor's performance of its obligations under this Agreement; or

11.39.5 An order is entered approving an involuntary petition to reorganize the business of Vendor for all or part of its property; or

11.39.6 If a writ or warrant of attachment, execution, distraint, levy, possession or any similar process that may materially affect the operation of Vendor is issued by any court or administrative agency against all or any material portion of Vendor's property; or

11.39.7 Taking any action to authorize any of the foregoing.

IN WITNESS WHEREOF, in consideration of the mutual covenants set forth above and for other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the parties have entered into the above Agreement and have caused their duly authorized representatives to execute this Agreement.
