Section 1.2 (**SUPPLIES AND/OR SERVICES REQUIRED**) of the Contact is hereby amended by adding subsection 1.2.5 as follows:

1.2.5: The Vendor shall provide all of the necessary supplies and services for the design, installation, testing, and configuration of a fully-functional integrated component of the uFACTS system for the administration of the Lost Wages Assistance (LWA) Program (the "LWA Component"). All references in the Contract to uFACTS shall include the LWA Component.

a) The LWA Component shall provide IDES with the necessary functionalities and business capabilities to administer LWA claims in compliance with all agreed-upon and documented requirements for the LWA Component to address applicable laws, regulations, and IDES' federal grant for the LWA program.

b) The LWA Component shall enable IDES to provide LWA payments to claimants who met the LWA eligibility requirements. The LWA Component will generate the LWA benefits for previous weeks to claimants that received at least one dollar in benefits.

c) The LWA Component shall have a batch program to generate LWA payments, in most instances, the night the claimant certifies for the week.

d) In order to manage the availability of the LWA funds, each allotment of funds will be configured within the LWA Component along with the weeks for which money is available to cover LWA payments. As any new allotment is awarded, it will be configured separately to account for the money to go to identified weeks of eligibility.

e) The LWA Component shall track and display the LWA benefits and produce required FEMA reports.

f) The chart below contains a high-level overview of the tasks to complete the development, testing and deployment of the LWA Component. The Vendor may update the LWA project schedule as necessary. Any updates to the LWA project schedule must be approved by IDES, provided that IDES' approval shall not be unreasonably withheld. The Vendor acknowledges and agrees that the LWA Component shall be ready for Go Live and use in production (be accepted by IDES) by September 14, 2020.
